

MIDLANDS SPACE CLUSTER

19-Sep-2023

Dear colleagues

We're writing to share information about some upcoming events and useful links :

- 1) **Tomorrow, Tuesday 20th Sep** we have our Pivot into Space Drop-in session at **1pm** where we will be joined by Kuo Wong, Head of Procurement at Surrey Satellite Technology Limited for a customer perspective on entering the space sector – sign up here: [Midlands Aerospace Alliance - Pivot into Space drop-in session](#)
- 2) **Also tomorrow at 2pm** you may be interested in [techUK](#)'s "Industries of the Future: Space" webinar, where UK Space Agency's Future Markets Lead, Daniel Jones will be on the panel discussing how the UK can become a superpower across a range of emerging space technologies. Sign up here : [Industries of the Future: Space \(techuk.org\)](#)
- 3) Upcoming next week in Birmingham there is an ESA Space Solutions event on **28th September** where you will hear from the Midlands ESA Business Applications Ambassador Paul Bhatia as well as Midlands Space Cluster Manager Frank McQuade. Find out more and book tickets here : [Exclusive ESA \(European Space Agency\) Space Solutions event Tickets, Thu 28 Sep 2023 at 13:00 | Eventbrite](#)
- 4) Finally, for anyone who missed last week's Pivot into Space Launch you can now access the recording  [here](#) and read more about the programme [here](#).

Kind regards

Liz Griffiths
Technology Manager (Pivot into Space Lead)
