# It's time to get noticed and **grow your business**

The MAA represents one of the largest aerospace clusters in the world and is a leading regional voice for the industry and its growing supply chains. Our strong partnerships mean our reach expands to a wide range of complementary sectors including defence, space and air mobility.

We have great relationships with companies at all levels of the supply chain including the primes - such as Airbus, Boeing, Rolls-Royce - and Tier 1s - including Collins Aerospace, ITP Aero, Moog Aircraft Group, Parker Meggitt.

The MAA is very active in raising the profile of the industry and what it needs from government through our partnerships with other clusters and ADS. We also have strong relationships with influential bodies including the Department for Business & Trade, Innovate UK as well as leading aerospace experts at universities across the region.

We work strategically with our members to ensure the Midlands is always at the forefront of the global aerospace industry and are pioneers of innovation.

The influence we've established over 20 years through our popular events, publications, and online channels, means that getting involved could create great opportunities for your company. This could help you get noticed by thousands of companies, generate leads and grow.

In this pack, you'll discover the partnership and advertising opportunities open to you this year as well as some FREE bonuses exclusive to members.

**All prices quoted in this pack include your special members' discount**

# Stand out at key industry events

**We've been running high-profile industry events for over 20 years from airshow exhibitions to major conferences to networking. Together, they draw in thousands of visitors every year not just from the 300 aerospace companies in our region, but also from other industries, other regions and other countries, as our international reach continues to expand.**

We offer a wide variety of sponsorship and advertising opportunities at our events. In addition to our set packages, we're also open to ideas. If you have a proposal for promoting your company, we would be delighted to discuss how we could support you at one of our events.

## The Inside...series

The MAA's 'Inside...' events enable supply chain companies to visit major aerospace and defence companies across the Midlands such as Collins Aerospace, ITP Aero, Moog Aircraft Group, Parker Meggitt and Rolls-Royce.

The events are a great chance for delegates to hear the latest insights direct from the senior leadership team, meet key decision makers and have an exclusive tour, while networking.

Companies attending these events receive a feature in an exclusive catalogue which can be used to promote your capabilities. This is distributed to senior leaders at the host company as well as delegates.

# MAA Annual Conference

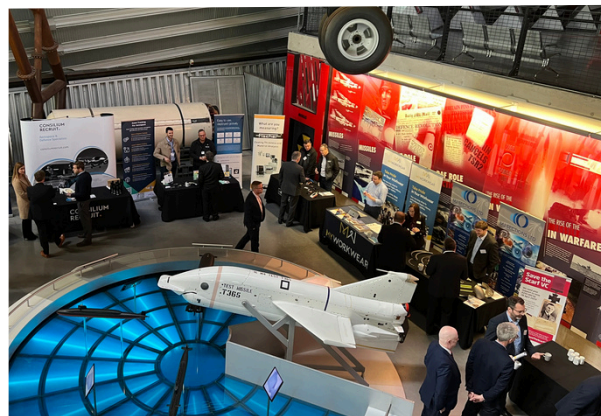

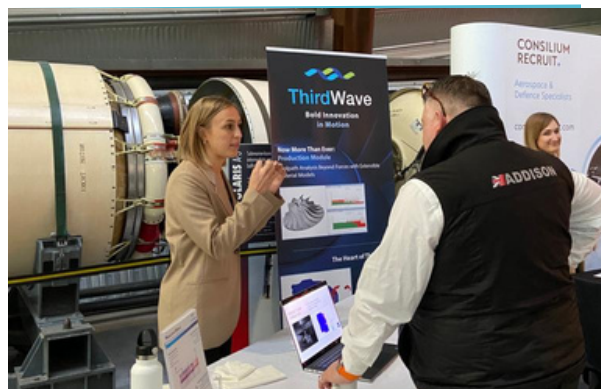

This major event is the place to be for companies operating in the aerospace and defence industries or interested in entering these sectors. It draws in over 150 delegates including prominent industry figures. Experts take to the stage to share the latest industry news, market trends, insights and business opportunities.

## Black-tie dinner

Our prestigious, black-tie dinner brings the industry together in the autumn at the splendid Grand Hotel, Birmingham. The event includes a Champagne reception, three-course dinner with wine, after dinner speaker, entertainment and a charity raffle.

Over 200 professionals join us from across the supply chain including primes and tier 1s from Collins Aerospace, ITP Aero, Parker Meggitt, Moog & Rolls-Royce.

**Main event partnership: Opportunity to present to the dinner guests, prominent branding at the venue, table for 10 guests, company promotion in event materials, MAA website & social media - £5,000 + VAT.**

**Drinks reception partnership: Includes branding in the Horton bar, company promotion on MAA website and social media plus 2 tickets - £2,000 + VAT.**

## Members meetings and AGM

The MAA holds regular meetings that are free for all of our members to attend. If you'd be interested in hosting one of our meetings on your site and having our members visit you, why not put your company forward?

You'll have the opportunity to address everyone who joins, share promotional materials and, of course, show off your site and talented people.

Our biggest members meeting of the year includes our annual AGM and opportunities are available to host this too. There's no charge for your company. Your only costs should be catering, refreshments and your time.

# Promotional opportunities

The MAA's audience is a highly engaged community of professionals in aerospace, defence and other advanced sectors. Our audience includes managing directors, senior leaders, business development and procurement professionals, and more. They work for companies across the supply chain.
